 - b. Boater Safety
 - c. TEA Science Safety
 - d. OSHA 10-Hour
 - e. Structural Pesticide
 - f. Commercial Pesticide Applicator Training
 - g. AFNR Teacher Certification
 - First Aid/CPR – we could add this but districts require it to be done upon hire so students will then have to go through the training twice.
- IV. AGSC 425 Redesign Murphy
 - A lot of the materials are together.
- V. 2017 Spring Block Scheduling Murphy/Gilbert
 - Jenna has sent out a list of potential dates for “block” dates.
 - Jamie will be sending out requests to ANSC for “block” dates.
 - AGSC 405 will be moved to 8am spring semester to prepare our students are prepared to showing up at 8am.
 - If you have conflicts with specific dates please let Jenna and Murphy know ASAP.
- VI. TEA – AFNR Program Accreditation Murphy
 - Update: JP has finished AGSC 383, AGSC 373, and AGSM 201 are finished.
 - Two things that Murphy needs are the CIC and the chart with your objective number(s)
 - Check to process the accreditation applications will be sent prior to the applications being sent because the application review will not begin until the check has cleared.
 - As each faculty completes a CIC please turn into Dr. Murphy and he can give you another CIC to complete.
 - 1 semester student teachers should be evaluated 3 times in the student teaching semester. As students complete their videoed lessons that can/will count as an evaluation.
 - The goal is to have all CIC’s completed and turned into Murphy by 11/15/16
- VII. Other
 - There is a possibility of working on a NASA project Plants in Space “Veggie” for a vegetable production system. There will be \$100,000 available for a portion of the project to package the seeds and distribute the seeds to 50,000 teachers across the country.
