

Child Sponsorship Assessment

1. Which of the following is one reason that many Haitians do not have access to education:
 - a. Many people just don't have time for school.
 - b. More than 85% of primary schools are privately owned and tuition is prohibitively expensive.
 - c. There aren't many schools in Haiti.
 - d. The Government restricts access to education.
2. What are some benefits of education for developing countries?
 - a. Reduces Poverty
 - b. Boosts economic growth
 - c. Combats diseases
 - d. All of the above
3. Which thing is not covered by a donation through Christianville's Child Sponsorship Program
 - a. Tuition
 - b. School uniform and supplies
 - c. Meals
 - d. Medical, Dental, and Vision care
 - e. Travel expenses from home to school
4. True or False: Educational Administrators would be careers well suited to help run an organization like Christianville Foundation.
 - a. True
 - b. False
5. Social and Community Service Managers careers are growing at which rate:
 - a. 5% to 8% per year
 - b. 9% to 13% per year
 - c. 1% to 5% per year

Critical thinking:

What are some other ways that you think education contributes to the growth and development of a country? Why is it so important for development workers to be familiar with the education system and opportunities in a country they work in?

What are some other services you would like to add in a program like this child sponsorship program? Either for the students or the donors? What challenges could you foresee in managing a program like this?

What are some other ways you could think of to make education costs lower and make education more accessible to students in developing countries?

Child Sponsorship Assessment – ANSWER KEY

1. Which of the following is one reason that many Haitians do not have access to education?
