 - a. True
 - b. False
5. What did Hannah advise to students considering an internship in a children's home in another country?
 - a. Come as you are
 - b. Don't let lack of experience stop you from going
 - c. Commit to the experience

- d. All of the above

Critical thinking:

What are some other type of duties you would be interested in performing if you were to intern in a children's home?

What ways can you think it takes to raise support and manage the business side of caring for children in a developing country? What challenges might you encounter in that process?

What other things would you want to know about an internship opportunity or arrangement before you would apply for an internship, either formal or informal?

Children's Home Internship Assessment – Answer Key
