

Minor in Agricultural Communications and Journalism

Students seeking a minor in Agricultural Communications and Journalism should begin by discussing the option with their academic advisor in their major. Students should then make an appointment with an advisor in agricultural journalism to discuss their interests. Appointments can be made online at the link below:

<https://alec.tamu.edu/academics/advising/agcj-advising/>

Finally, the student must complete an application to add the minor. No student will be approved to add the minor without completing the application. The application can be found at the link below:
