## The Green Program – Now Accepting Applications

The **GREEN Program** is the premiere experiential learning program for future clean energy and sustainability leaders. The short-term immersion programs take students on adventures to the epicenters of clean tech, sustainability, and innovative industries.

- Engage in hands-on, experiential education with industry experts and professionals
- Behind the scenes access to innovative clean energy facilities and sustainability projects
- Supercharge your resume with a global perspective and unique cultural experience
- Network and develop relationships with powerhouse student leaders and professionals
- Bridge the gap between traditional textbook learning and real-time industry insight
- Participate on world-class bucket list adventure excursions
- Earn an academic transcript during our 8-10 day programs

**8-Day Winter & Spring: Renewable Energy + Sustainability + Extreme Climate OR 10-Day Summer: Renewable Energy + Sustainability**

**10-Day Winter: Water Resource Management + Sustainable Practices**

**9-Day Summer: Sustainable Design + Urban Regeneration + Thought Leadership**

## Position Announcement: American Brahman Breeders Association

The American Brahman Breeders Association is seeking a Director of Communications and Youth Activities.

Qualifications:

- Bachelor's degree in agricultural communications, animal science, or related field
- Livestock background preferred.
- Strong communication and organizational skills.
- High levels of computer proficiency and experience required. Preferred experience with Adobe Creative Suite CS3 or higher, Microsoft Office, Facebook pages, and Twitter.

To apply, please send the following to Chris Shivers, Executive Vice President, at [cshivers@brahman.org](mailto:cshivers@brahman.org) prior to October 15, 2014:

- A current resume, including three (3) references; and
- Communications portfolio with a minimum of three (3) samples showing original work you have created. This may include news releases, written stories, or graphic design projects.

Email only. No phone calls. Top applicants will be contacted and invited to the ABBA office for an interview.

## Internship Opportunity

The Pulse Powered by Sullivan Supply is looking for a college student that is excited to work in a creative, fun and fast-paced environment to help bring the stock show industry to life on the Pulse! The ideal applicant would be creative, organized, and have an outgoing personality. Experience with all Adobe software, photography and writing is also encouraged!

The internship program will offer a college student the opportunity to travel across the country while assisting in providing the stock show industry with industry news and live event coverage.

The internship will start in early January to prepare for the National Western Stock Show and run through late August. It is based out of Dunlap, Iowa and would require relocation of the selected applicant for the duration of the internship.

How to apply: Anyone interested should send their cover letter, resume, and references to:

Sullivan Supply Inc.

701 Iowa Ave.

Dunlap, Iowa 51529

Attn: Luke Bolin

You may also forward cover letter, resume, and references to: [luke@sullivansupply.com](mailto:luke@sullivansupply.com)

Application deadline is November 1, 2014. For more information contact: Luke Bolin, Manager, the Pulse at 870-754-1160.

## Capital Farm Credit Information Night at Texas A&M

**September 29, 2014 in AGLS 114 at 5:30 p.m.**

There will be a Capital Farm Credit Information Night in AGLS to discuss 2015 internships with students. Junior classification preferred, but freshmen and sophomores are welcome to come learn about the program. They are also interested in Human Resource candidates.
